Introducing...

Performance Plus Global Logistics (PISTL Partner program) is a provider of transportation, warehousing and distribution services with "**Best in Class**" portfolio of carriers. PISTL has recently partnered with Performance Plus Global Logistics to bring you a truly unique and exclusive program and cost savings opportunity.

The Performance Plus Global Logistics Team (local office) will provide you decades of experience and knowledge in transportation and logistics. Their team of professionals brings a diverse background in operations and account management, from parcel shipping and less-than-truckload to full truckload and ocean shipping.

This single source solution has been designed specifically for the printing industry. Key features are a collaborative offering of enhanced quoting, online tracking, various reporting tools all in conjunction with bottom line savings. Plus, ongoing member support is there for you.

Getting started is **simple & quick.**

Everything you need is provided

Give **Performance Plus** a call. Their service team will get you setup and saving time and money within 24 hours.

To take advantage of this new benefit, contact:
